This is an invitation to experience Clarogenix. For those who are seeking to optimize and achieve greater success in all areas and dimensions of life. Clarogenix is a synergistic medicine that is plant based with western formulation helping people awaken to Greater Clarity, Wisdom and Power in Life.

The Heart Protocol is a clear, direct, and safe portal to the Higher Self/Soul, allowing healing frequencies to flow into the physical body. From the soul will flow the Right Beliefs, Attitudes, Thoughts, Words, and Emotions which translate to profound healing sessions.

GIVES YOU THE DIRECT EXPERIENCE TO YOUR SACRED ORIGIN

It is a 6-10 hour ceremonial experience that consistently, and safely quiets the mind, opens the heart, and connects you to what many have called the "Soul" Frequencies.

This is an actual frequency band that exists in your 4-6th stranded DNA. This part of you is the safest, and most unconditionally loving part of you. This part of you also knows Why You Are Here, What You Are Here To Do, as well as How To Heal And In What Order To Heal.

We are seeing what Western science calls Miracles regularly, but it is actually science.

WHERE AM I GOING?

To connect you to your soul frequencies/higher Self.
(What quantum morphogenetic physics calls your 4-6th stranded DNA).

HOW AM I GOING TO GET THERE?

Utilizing 4 plant based but western formulations of medicine that works on GABA, Serotonin, Dopamine and Glutamate.

HOW LONG WILL I BE THERE?

The basic retreat consists of a Ceremony and Morning After Integration.
The journey is generally 3-4 hours with a few more hours of Afterglow.

HOW SAFE IS IT?

Very safe.

The least amount of medicine possible will be given to access your Soul Frequency.
You will be Clear, Conscious and Cohesive through out the entire experience.

WHO WILL BENEFIT FROM THE HEART PROTOCOL?

Clarogenix Medicines are opening up an entirely new state of consciousness from what our Human Family has identified to date; different from psychedelic states and from “normal” baseline and dream states. Integrating cutting-edge, systemic, functional Western Science and Indigenous Science and Spiritually.

Clarogenix Medicines, in a specific combination of experiential and spiritual contexts, create an experience where the various aspects of the ego and “learned selves” are split and able to dialogue directly and clearly with each other. This includes the “Soul,” what appears to be the “Pure” or Highest Self (i.e., the self uninfluenced by learning frameworks and belief systems hard-wired into the current operating personality over time)— speaking clearly and directly out loud— sometimes dialogue with the other learned or “ego selves,” from a state of pure observation and wisdom.

This allows the individual to access and speak as the various forms of “Self” in ways that will enable areas of internal conflict and contradictions to be healed; as well as deep and sometimes very important knowings (truths) buried within the matrix of the mind, body, and spirit; which the ego may not yet be willing or able to address on its own.

// Comparison Example //
Psychedelics are to the clarogenix state as dreaming is to lucid dreaming. i.e., When dreaming, one is “part of the dream” and not able to easily navigate, recall or narrate with awareness— while in lucid dreaming, one can experience, navigate and describe a completely different experience of reality with complete lucidity and from a refined awareness not subject to the default ego or waking selves (a.k.a.: The soul). (This may be a good metaphor for people to explain the difference before an experience. (Ref: Dr. Stephen LaBerge's work, who was the first person to quantify and prove the experience of lucid dreaming at Stanford in 1980.)”
